

## **Addendum to Notice of Procedural Safeguards – Nonpublic Schools**

### **Students Attending Nonpublic Schools:**

Pursuant to Education Law § 3602-c, the District where a nonpublic school is located will develop an individual education services program for students enrolled by their parents in nonpublic schools provided within the boundaries of the district upon receipt of a written request from the parent on or before the first day of June preceding the school year for which the request is made or if prior to the first day of April, within 30 days from the date the parent receives notification from the District of Location that the student was identified as a child with a disability under Part 200 of the Commissioner's regulations.
