

BMP-RSS Construction Needs

- K-4 science room – shared space to store science materials and perform ongoing investigations.
- Share book rooms for classroom libraries, so K-2 books and 3-5 books can be shared.
- General and specific storage spaces (Offices could be build and the current offices can resume their storage role)

Speech/language (computer room storage)

Director of technology (PE storage)

Director of curriculum & Instruction (general storage)

Secretary for directors (general storage)

School psychologist (general storage)

School psychologist (narrowed hallway)

Speech/language pathologist (narrowed hallway)

All offices need separate entrance (in 1955 wing lower floor)

- AIS (remedial services) additional classroom.
- 2 FLES classrooms
- 1 ESL classroom
- Band room to hold 120 students (current room should only hold 65 students.)
- Larger library space
- Updated science lab
- Updated faculty lounge with sink
- Floor/ceilings in 1955 wing, as well as other wings
- Air conditioning in old/new gyms
- Cafeteria air conditioning
- Improving cafeteria space
- All kindergartens need bathrooms and adequate square footage.
- Faculty and student bathroom updates

- Width of hallways and stairwells should be examined for safety and efficiency during large group movement.
