

## **OFF-CAMPUS PRIVILEGE PERMISSION FORM SENIORS**

By signing this form you are either granting or denying your child permission to leave campus during his/her lunch period and/or free periods. He/she may not leave campus at any other time of the day without prior written permission from a parent and a pass from the Attendance Office. He/she may not take other seniors off campus who do not have permission to leave the school grounds. Whenever your child is away from campus during the school day, he/she will conduct himself/herself in a manner expected of all Blind Brook students.

You understand this is a "privilege" which may be temporarily suspended or permanently revoked for disciplinary reasons.
