

# “There’s Only To Go: READ”

## 2007 Summer READ-TO-ME Program

### (For Preschoolers & Entering Kindergartners)

June 2007

Dear Parents,

I would like to invite you to enroll your child in this year’s “Read-To-Me Program” at the Port Chester Public Library. Just because your child can’t read yet doesn’t mean he or she is too young to join our program. “Read-To-Me” is designed to have books read to children by parents, grandparents, siblings, baby-sitters, and others.....

We want to help your child discover a lifelong love of books and learning. Research has shown that an early introduction to books and involvement in reading programs does make a difference in a child’s life.

- Registration begins on Monday, June 18
- Children will be given a “**There Is Only**  **To Go: READ”** reading log to record the number of books that you are reading together.
- Every time that you and your child come to the library, you will be able to put up a sticker on our bulletin board displays.
- On Tuesday, August 7 at 11:00am, we will have a “Read-To-Me” party to celebrate the reading that you and your child did over the summer.

Sincerely,

Tee Cotter
