

Hispanic Heritage Month

¡Bienvenidos! In celebration of Hispanic Heritage Month during the month of October, students at Ridge Street School had the opportunity to learn about the cultures of Spain, Argentina, Puerto Rico, and Mexico. Presentations were given by parents to second and fifth graders during the FLES class periods introducing students to the culture of their native countries. Students listened to music, colored flags, tasted snacks, played instruments, and looked at photographs of these different countries. Thank you to the ESL parents and to Mrs. Rothmann who participated in this fantastic experience: Mr. Gonzalez, Mrs. Otero, Mrs. Prieto, and Mrs. Rothmann. What a great experience for the students in our FLES program!
