Principal's Coffee

Wednesday, November 16, 2011

7:00 p.m. - 8:00 p.m.

Ridge Street School Library

Coffee, Tea and Snacks will be served!

Agenda

- The Ridge Street School Web Site - How can we make it work better for you? We will be discussing what kinds of documents/links would be helpful for families.
- Reading in the Elementary School - What does it mean when your child is reading below, at, or above grade level? What do you need to know as a parent? What are teachers doing in the classroom during Reading Workshop? What can you do outside of school?

Notes

Since there was a small turn-out we began discussing our web site and how we can improve communication. Mrs. Taylor is speaking with the Director of Technology, Colin Byrne, on redesigning the Ridge Street School web site. We are looking at changing the appearance so that information/documents can be found easily. We want to encourage parents to use the web site.

Next month we will have our reading discussion.
