

## Teacher Recommendation Request

# Blind Brook High School Counseling Department

Name: \_\_\_\_\_

Teacher Name: \_\_\_\_\_

Most colleges will require one or two formal recommendations from academic teachers. This teacher is typically a junior year teacher, although a sophomore year teacher who knows you particularly well may be appropriate. You should discuss your choice of formal recommenders with your school counselor and ask your teachers as soon as possible, but not before April 3rd. Once the teacher agrees, please answer the questions below or complete the questions provided by your recommending teacher. This should be completed by **June 1, 2023**.

If requested, please provide your teachers with a well written response to the following questions.

- Why have you chosen me to write your recommendation?
- What experiences in this class stand out in your mind? How have they changed you as a learner?
- Describe how this class challenged you both personally and academically.
- What did you enjoy the most about this class and why?
- What else might be important for me to consider when writing your recommendation?

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on its right side, suggesting it's resting on a surface.

**Thank you for agreeing to write my formal recommendation for college recommendation.**
