

RIDGE ST. SCHOOL

CAPITAL PROJECT STATUS UPDATE

September 1, 2021

BLIND BROOK-RYE UFSD

Ridge St. Project Overview

- Construction is progressing toward September Occupancy of classrooms spaces (September 13 start of school)
- Concentration on new classrooms and renovation of the 1955 wing
- Punch Lists are being developed and incomplete items are being documented and addressed as the work progresses in each space
- Cooperation from Superintendent, Administration, and the Board of Education has been key partners in the overall process
- The Project Team continues to face challenges that are systematically approached and resolved as part of the work progress, including supply chain issues, unforeseen conditions requiring design team resolution, contractor disputes, and COVID.
- Municipal and State cooperation and approvals are an important part of the project and therefore the completion date cannot yet be guaranteed. The project team will confirm once utility connections are made and life safety systems are online.
