

BLIND BROOK MIDDLE SCHOOL

DAILY BULLETIN

Friday, January 14, 2022 ("H" day)

As some of you know, we have a little fruit fly situation going on with student lockers. We think this is because some of your lockers may have old food/leftovers/wrappers/garbage. The first thing we need to do to get rid of the flies is to go through each locker to make sure that there is no old food or wrappers in lockers. To do this, we are going to have all students do a locker cleanout this morning. When it's your grade's turn, we are going to ask that you go to your locker and look for any food, garbage, wrappers, etc. There are garbage cans in the hallways that should be used to throw out any of these items. Once you have gone through your locker, please call over a teacher and ask him/her to inspect your locker and mark you down as being cleared. This whole process will take around 5 minutes.

A reminder that Mr. Horowitz's 7th and 8th grade Advisory Group will be meeting at 11:45 am in Ms. Bhanti's room.

Attention to all students who signed up for the National History and/or Science Bees with Mrs. Boutis. Please check your email for the information you will need to take the online exams. Please see Mrs. Boutis during Activity Period if you have any questions or if you did not receive the email. The deadline to take the exams is January 31, 2022.

There will be a mandatory softball interest meeting for all levels (modified, jv and varsity) on Monday January 31st at 3:00pm in the HS Gym. Please see Coach Carlone if you cannot attend.
