

BLIND BROOK MIDDLE SCHOOL

DAILY BULLETIN

Monday, January 3, 2022 ("G" day)

Welcome back and happy new year!

Lunch: We are going to continue what we started before break. 6th and 7th graders will eat during the first half of lunch and then go to AAA at noon. 8th graders will start at AAA and then eat lunch at noon.

Attention 8th Graders: Even though it's only January, the process of beginning your transition to the high school will begin in the coming weeks. As high schoolers, you will have much more choice regarding the classes you take. One of the elective choices available to you is Digital Music Production. This class focuses on how to use computers to create your own music, soundtracks, sound effects, video game music, etc. If this sounds like something you may be interested in, please see Mr. Lotze on Wednesday, January 5 or Thursday, January 6 in room H101 (next to the LGI) at 2:20pm.

Throughout January, the Drama Club will jump into stage design and backstage skills to learn how the magic of theatre happens behind the curtain! All students are welcome to attend. Beauty and the Beast CREW members are strongly encouraged to join us this month to learn more about how to prepare for your upcoming production! Drama Club meets every Tuesday- we hope to see you there!
