

# BLIND BROOK MIDDLE SCHOOL

DAILY BULLETIN

**Tuesday, October 19, 2021 ("C" day)**

During the month of October, we celebrate Italian-Americans and their contributions that help shape our country. One such Italian-American is Frank Sinatra. Singer of "My Way" and "New York, New York," he was the son of Italian immigrants from Genoa. It is said that Frank Sinatra did more than anyone to shape American pop culture and entertainment after World War II. Through nearly 60 years, Frank won 11 Grammy awards and one Presidential Medal of Freedom.

Next Friday we will be celebrating Halloween together. An email was sent to all students with details and the rules. We are looking forward to celebrating and having a fun day together!

**Today's Clubs:**
