Parent-Teacher Institute

The Parent-Teacher Institute will continue this year with teacher lead workshops on a variety of topics. The goal of the Parent-Teacher Institute is to inform parents on school related topics and enhance our ability to work as a unified team in the education of our children. The workshops will be offered at 7:00 PM in the middle school with rooms and teacher facilitators TBA. The following topics and dates are planned for this year:

- October 5 - A Parent’s Guide to Surviving Middle School
- November 2 - Developing Effective Study Skills
- December 7 - Stress Management
- January 11 - Chromebooks & Google Drive
- February 8 - Developing a Growth Mindset
- March 8 - Common Core Math
- April 12 - Digital Literacy

May 3 - The New NYS Science Standards
