

# BLIND BROOK MIDDLE SCHOOL

DAILY BULLETIN

**Tuesday, September 14, 2021 ("D" day)**

Mr. Whitman's classes will meet in the auditorium this week. Please do not report to the band room and go straight to the auditorium.

It was noted yesterday that our 7th and 8th graders left a lot of garbage lunch

This afternoon when everyone returns to their homeroom class we will be announcing our first Homeroom competition of the year. Put your creative hats on as one homeroom at each grade level will be winning a prize.

We will be holding our first evacuation drill of the year this morning. The purpose of these drills, of course, is to practice what we would do in the event of a fire or other emergency which would require us to leave the building quickly. Since our priority is to keep everyone safe, it is critical that students remain silent while leaving the building and while standing on the field. Teachers are asked to take note of any students who are talking during the drill or who do not follow directions.

School Picture Day  
September 28th!
