

# BLIND BROOK MIDDLE SCHOOL

DAILY BULLETIN

**Friday, September 17, 2021 ("F" day)**

Our Homeroom Door Decorating contest is underway. Although today is the last day that students will return to homeroom at the end of the day, you will have until the end of next week to finish your masterpieces. The winning homerooms will receive a pizza party.

This past Wednesday began National Hispanic Heritage Month. To celebrate and recognize the achievements and contributions of Hispanic Americans, we invite everyone to help us design and create a special bulletin board. Please email Ms. Chalif or Mr. Horowitz if you would like to be involved.

A reminder that Band classes are meeting in the auditorium this week.

Some students have asked about eating lunch indoors. Because of COVID, it is much safer for us to eat outdoors especially since masks are off. While we highly encourage you to eat outside, we recognize that some of you may prefer to eat indoors. To see if this might work, we are going to conduct an experiment over the next few days. Starting today, students will be allowed to choose whether to eat inside or outside. However, in order to eat indoors, the following rules must be followed:

- No more than 4 people per table
- Plastic barriers must be in place
- Students must be seated while eating (no walking around or visiting other tables)
