

BLIND BROOK MIDDLE SCHOOL

DAILY BULLETIN

Monday, September 20, 2021 ("G" day)

Join us in celebrating Hispanic Heritage Month. If you would like to help design and create a special bulletin board to recognize the achievements and contributions of Hispanic Americans, please let Ms. Chalif or Mr. Horowitz know today.

Beginning today, students no longer have to report back to homeroom classes at the end of the day. Instead, you can see teachers for extra help, go to a classroom to do homework, visit the library, or go outside.

Homerooms have until the end of this week to finish decorating your doors.

Some students have asked about eating lunch indoors. Because of COVID, it is much safer for us to eat outdoors especially since masks are off. While we highly encourage you to eat outside, we recognize that some of you may prefer to eat indoors. To see if this might work, we are going to conduct an experiment over the next few days. Starting today, students will be allowed to choose whether to eat inside or outside. However, in order to eat indoors, the following rules must be followed:

- No more than 4 people per table
- Plastic barriers must be in place
- Students must be seated while eating (no walking around or visiting other tables)

School Picture Day
September 28th!
