

BLIND BROOK MIDDLE SCHOOL

DAILY BULLETIN

Thursday, September 23, 2021 ("B" day)

Today is Puerto Rican Independence Day! The song we played this morning is by Hector Lavoe and Willie Colon, two musicians from the Island of Puerto Rico. Together they introduced the world to salsa music in the 1960s and are considered to be the most important figures in the genre. Salsa music is one of the most popular forms of Latin music, especially in America, where it influenced music from disco to hip hop.

We are going to continue working on our Hispanic Heritage bulletin board tomorrow (Friday) during lunch. Students are invited to bring your lunch to room 102 and join us.

Homerooms have until tomorrow to finish decorating your doors.
